WEST NILE VIRUS

With the anticipation of the arrival of the West Nile Virus in the Bay Area this summer, the San Mateo County Health Department wants Seniors to be prepared. Birds, Horses and Humans can become infected primarily through the bite of a mosquito. Seniors are at risk for developing serious disease primarily because of a weakened immune system with age. Contact your doctor if you become ill after a bite. Protect your self from mosquito bits with repellent and prevent mosquito habitation around your home.

Info: Call 573-2346 or visit www.smhealth.org.

Volunteer Opportunities

If you would like to get involved in your community, think about volunteering at the Twin Pines Senior & Community Center. If you have skills you would like to share, call Annie Troyan at (650) 637-2976 or (650) 595-7444 to get started.

\$10,000 DONATION!

The Twin Pines Senior and Community Center received a \$10,000 donation from the Stanley James Walker Foundation. We are very grateful for this kind and generous donation. The funds are to be used for the Senior and Community Center, and expenditures shall be approved by the Belmont Senior Citizen's Advisory Committee. We recently purchased a DLP (Digital Light Processing) System which is sure to be an asset to our Center for years to come. We can now watch movies in style..... on a Large Screen!

We welcome your ideas! Is there an item you would like us to purchase for the Center with the remaining \$5,000? You may bring your ideas to the Belmont Senior Citizens Advisory Board Meeting which will be held at 4:00p.m. Thursday, July 17 at Twin Pines. You may also submit your suggestions in writing by completing the form below and returning it to the receptionist desk. Thank you for your input.
